

September 23, 2015 Asbestos Updates:

Welcome Spokane Clean Air's new Compliance Section Manager

Spokane Regional Clean Air Agency is pleased to welcome Lori Rodriguez as the agency's new Compliance Section Manager. *Lori fills the position previously held by Matt Holmquist, who now works for the Northwest Clean Air Agency. We wish Matt the very best and thank him for his nearly 20 years of service!*

Lori brings 24 years of experience, most of them in the compliance section, for the Washington State Department of Ecology, Eastern Region Office in Spokane. At Ecology, Lori spent five years in the air quality section. Prior to her work at Ecology, Lori was a science teacher.

"I'm excited for the opportunity to work with the talented and dedicated people at Spokane Clean Air and to continue the rewarding work of protecting our air quality," stated Lori.

As the Compliance Section Manager, Lori manages five inspectors who work to ensure that individuals and businesses are aware of, and comply with, local, state and federal clean air regulations.

If you have any questions about asbestos regulations or other Spokane Clean Air programs, please contact an inspector or Lori directly.
