

# Asbestos-Containing Waste Material Temporary Storage Site Application

**1610 S Technology Blvd #101, Spokane, WA 99224 (509) 477-4727 www.spokanecleanair.org**

A person may establish a facility for the purpose of collecting and temporarily storing asbestos-containing waste material if an Asbestos-Containing Waste Material Temporary Storage Permit is issued by the Agency (SRCAA Regulation I, Article IX, Section 9.09.C). Asbestos-Containing Waste Material Temporary Storage Permits approved by the Agency are valid for one calendar year (SRCAA Regulation I, Article IX, Section 9.09.C.7). This application must be accompanied by a \$75 non-refundable fee.

**D. Explain how the following Operating Conditions will be met (attach responses):**

1. Accumulated asbestos-containing waste material shall be kept in a controlled storage area posted with asbestos warning signs and accessible only to authorized persons.
2. All asbestos-containing waste material shall be stored in leak-tight containers, which are maintained in leak-tight condition.
3. The storage area must be locked except during transfer of asbestos-containing waste material.
4. Storage, transportation, disposal, and return of the waste shipment record to the waste generator shall not exceed 90 calendar days.

**E. I do hereby certify that the information contained in this temporary storage application described herein, is to the best of my knowledge accurate and complete.**
