

Does your old wood stove need replaced? **Limited income?**

Spokane County homeowners who heat with a wood burning stove or insert that is at least 20 years old, or non-EPA certified, may qualify for a **FREE UPGRADE** to a new wood, pellet or gas stove/insert or ductless heat pump.

State funding is available to pre-qualified homeowners, based on these federal income guidelines:

HH size	Max gross income/month	HH size	Max gross income/month
1	\$3,137.50	5	\$7,620.83
2	\$4,258.33	6	\$8,741.67
3	\$5,379.17	7	\$9,862.50
4	\$6,500	8	\$10,983.33

✓ Old free-standing woodstove

⊗
Fireplaces do not qualify

✓ Old woodstove insert

Additional information and an application form is on the back. Complete the application form and send it in with a photo of your installed & operational wood stove or wood insert.

 **Apply today!**
